Hilltop offers a wide variety of activities such as zip wire, mountain biking, archery, abseiling as well as bush-craft survival skills. If you want to find out more about Hilltop, you can also go to their website: http://www.hilltopoutdoorcentre.co.uk/

Whilst we know that this might be the first time away from home for many of the children we really encourage them to come on the trip as it is a fantastic opportunity to learn outside the classroom, challenge themselves and make lifelong memories.

If you have any queries or concerns please join us for the Zoom meeting or email the school office.
