AIM Federation: Small schools, big opportunities

Friday 21st November 2025

Dear Parents and Carers,

We would like to invite you to a **Year 6 SATs Information Meeting and Workshop** on **Wednesday 10th December at 3:45pm** to help you understand how we are preparing the children for their SATs this year, and how you can support them at home.

During the session, we will:

- Explain what the **SATs** are and when they will take place
- Share information about the **tests in reading, maths, spelling, punctuation and grammar**
- Show examples of **SATs-style questions**
- Offer **practical tips** to support your child's confidence and wellbeing
- Provide resources and guidance to use at home

You'll also have the opportunity to ask any questions and speak with the Year 6 teaching team.

We really encourage all parents and carers to attend — working together makes a big difference in helping our children feel confident and ready for their SATs.

Please return the slip below to let us know if you can attend.
We look forward to seeing you there!

Kind regards,

Warmest regards

Joe Loftus

Year 6 Class Teacher
