AIM Federation: Small schools, big opportunities

Wednesday 14th January 2026

Dear Parents and Carers of Freethorpe Primary

A warm welcome back to the New Year 2026

As we begin a new year, I would like to take this opportunity to wish you and your families a very happy, healthy, and successful year ahead. It has been a trickier than normal start to the year with the unfortunate flooding, but we are delighted that we are now able to welcome all our families back safely.

The start of a new year is a time for reflection and renewal. Looking back, I am incredibly proud of our students and grateful for the continued support, partnership, and trust you place in our school. Together, we continue to create a positive learning environment where children are encouraged to grow academically, socially, and personally.

As we move forward into this new year, our focus remains on providing high-quality education, nurturing wellbeing, and helping every child reach their full potential. We look ahead with optimism and enthusiasm, confident that by working together we can continue to achieve great things for our students.

Thank you for your ongoing support and commitment to our school community. We value your involvement and look forward to another year of collaboration, learning, and success.

Please look out for individual class letters outlining key information, as well as updated class messages via our website.

I wish you and your family a joyful and prosperous New Year.

Warmest regards,

Shefa Roberts
Head of School
