Thursday 12th November 2026

Schools and Communities Team Drop-In Sessions

Dear Parents and Carers,

We are pleased to share that we will be welcoming the Norfolk Schools and Communities Team to Freethorpe Primary School for a series of drop-in sessions.

These sessions provide an opportunity for families to access advice, guidance and support from experienced professionals in a friendly and informal setting.

The team will be available to chat about a range of topics, including:

- Behaviour and parenting support.
- Special Educational Needs and Disabilities (SEND).
- Financial advice and support.
- Accessing additional services and support available to families.

Whether you have a particular concern about your child, would like some advice or are simply unsure where to turn for support, the team will be there to listen and help signpost you to the right services.

Upcoming drop-in sessions:

- Tuesday 17th November at 9:30am
- Thursday 10th December at 9:30am

Location: Freethorpe Primary School

Refreshments will be available, and the team will also bring a range of useful information, resources and signposting materials for families to take away.

We are really keen to establish these sessions as a regular opportunity for families within our school community. We recognise that accessing the right support can sometimes

feel difficult, and we hope these sessions will provide an accessible first point of contact for families who may need a little extra guidance.

You do not need to have a specific concern or referral to attend. All families are welcome, and we would encourage you to come along and make use of this opportunity.

We look forward to welcoming you!

Kind regards,

Mrs Kathryn Andrews
Head of School and SENDCo

Mrs Sarah Collier
Head of School and Class Teacher
